

Fuel the Sages by Piatt County Service Company

What is it?

Piatt County Service Company and Monticello Schools invite you to **Fuel the Sages**. This program creates a unique opportunity that the entire community can participate in to help raise money to help offset the expense of purchasing iPads for the school district. All that is needed in the **Fuel the Sages** program is purchases of gas or diesel fuel with an **FS FUEL 24** card from our FAST STOP station located at 427 West Marion in Monticello, or any other FAST STOP sites throughout IL, IA and WI (see page 2).

How can you sign up?

Many of you may already have an FS FUEL 24 card. If so, all you have to do is designate on the credit application that you want to participate in the **Fuel the Sages** program.

If you want to participate and do not have an FS FUEL 24 card, simply fill out the enclosed credit application and you will receive your card by mail once you are approved.

How will you benefit?

Two times a year, Piatt County Service Company will accumulate all gallons purchased under the **Fuel the Sages** program and present a check to Monticello Schools to assist with the iPad purchases.

Funding for Monticello Schools:

- \$.02/gallon to Monticello Schools on all new cards for the first year
- \$.01/gallon to Monticello Schools on existing card holders that sign up the program

Discount for You:

- \$.01 discount per gallon for fuel purchased at the Monticello station to all participants

Benefits of the Card:

Different from other credit cards, the **FUEL 24** card is strictly meant to be a convenient way to purchase fuel and pay off your balance each month. Paying off the balance each month avoids finance charges like other companies charge and saves you money in the long run.

Sign up now!

Sign up today by filling out the enclosed application and join the rest of the community in helping fund the technology updates that are needed in the Monticello School District! And remember, as a participant, you will receive a **\$.01 discount** per gallon purchased at the Monticello station!

Visit one of our other FAST STOP locations!

Taking a road trip? You're in luck. There are over 250 locally and independently operated FS FAST STOP and FAST STOP Express locations throughout the Midwest, so you can rely on a FAST STOP wherever your route takes you while using your FUEL 24 card. For specific information on a location, feel free to visit www.efaststop.com/pages/locator.
